How would you describe your level of experience with animals?

I've owned/fostered many animals in the past including those with behavioral or medical challenges.

I've owned/fostered animals in the past but have little experience with behavioral or medical challenges.

I've been around animals or grew up with them, but this would be the first time bringing one into my home as an adult.

I have little to no experience with animals. I'm looking to learn as I foster!

Fostering animals can be a great way to help animals in need, but it can also be difficult at times. How well do you feel prepared for the emotional side of fostering?

Thank you for filling out our foster application. It can take anywhere from 3-7 days to hear back from us on approval. You will receive an email upon your approval that will guide you through your next steps.
