

# Attention Residents of City of Lampasas, TX

## Home Collection Program for Household Materials

As a resident of City of Lampasas, you have a convenient way to dispose of your Household generated special materials safely, easily and responsibly. Introducing *At Your Door Special Collection<sup>sm</sup>*, a residential service offered by Waste Management.

### HOW DOES IT WORK?

#### 1. Residents can call 1-800-449-7587 to schedule a collection appointment.

The Call Center operators will guide you through the steps toward a safe and successful collection. You will be asked several questions, including your address and the type and amount of materials available for the pick up. You will be provided a convenient collection date and information about where to place the kit for collection. A kit will be sent to your home in plenty of time for you to gather and pack your materials.

#### 2. Preparing for collection

The collection kit includes an instruction sheet and other items to help pack and secure your household materials. Please the instruction sheet included in the kit.

#### 3. Material is collected

On the scheduled date, the customer service technician will collect materials directly from your home. They will sort and pack the materials for proper transportation, recycling and disposal. Participants will receive a postage-paid survey card to complete and mail back to help track the program.
