I hereby request that the City of Lampasas test my WATER / ELECTRIC meter.

An independent meter test company will perform the test. Please contact the utility office at 512-556-3641 regarding the cost of the testing of water and electric meters.

I understand that if the meter test results indicate a defective meter, the City of Lampasas will pay for the testing and an adjustment will be applied to my utility account. However, if the meter test indicates the meter is accurate, the cost of the test will be applied to my account.
