

Neighborhood Watch

Citizen participation is one of the most effective tools against crime because the job of stopping burglary, robbery, or sexual assault is impossible for the police to accomplish alone. Neighborhood Watch is a crime prevention program for your home and neighborhood, a partnership between the Lampasas Police Department and the citizens of Lampasas. It has helped reduce crime in Lampasas and around the country. With the help of concerned citizens like you, it will work in YOUR neighborhood.

Citizens for Neighborhood Watch provides Lampasas residents with:

Assistance in organizing and maintaining Watch groups.

Home and personal safety training including FREE home security surveys

Newsletters, crime prevention literature, and other information

Block captain training and special events for all Watch members.
